CONSENT ORDER OF SURRENDER  
OF LICENSE IN RESOLUTION  
OF PROVISIONAL ORDER  
OF DISCIPLINE

TO PRACTICE NURSING IN THE  
STATE OF NEW JERSEY

---

This matter was opened to the New Jersey State Board of Nursing upon the filing of a Provisional Order of Discipline on August 15, 2014. The Provisional Order cited respondent's failure to respond to a Board inquiry concerning an arrest, and purported violations of N.J.A.C. 13:37-5.3, in that respondent

failed to document completion of required continuing education courses. Respondent has since documented timely completion of continuing education requirements for the 2011-2013 licensing cycle, and has provided documentation and information concerning the arrest.

Respondent was convicted on June 9, 2014 of improper behavior in violation of N.J.S. 2C:33-2(a)(2). The Board finds that the conduct underlying respondent's conviction relates adversely to the practice of nursing within the intendment of N.J.S.A. 45:1-21(f). However, respondent has documented that she suffers from a progressively worsening medical condition, has been unable to practice nursing, and indications are that respondent will be unable to resume the practice of nursing. Accordingly, the Board finding that at present respondent is unable to perform the functions of a licensee within the intendment of N.J.S.A. 45:1-21(i), respondent and the Board agree that the Provisional Order of Discipline filed on August 15, 2014 shall be resolved by respondent's surrender of her nursing license via this Consent Order, as the Board finds that this resolution is adequately protective of the public health, safety and welfare.

ACCORDINGLY,

IT IS ON THIS

15<sup>th</sup> ~~25<sup>th</sup>~~ *to* December ~~November~~, 2014

HEREBY ORDERED AND AGREED THAT:

1. Respondent shall hereby voluntarily surrender her nursing license and she shall refrain from the further practice of nursing pending further order of the Board. Respondent shall forward her nursing license, along with her wallet-sized biennial renewal license forthwith to Susan Carboni, Deputy Attorney General, P.O. Box 45029, 124 Halsey Street, Fifth Floor, Newark, NJ 07101 on behalf of the Board of Nursing.

2. The Board shall not entertain any application for reinstatement from respondent unless or until respondent can demonstrate to the Board's satisfaction that she is fit and competent, both physically and mentally, to resume nursing practice by undergoing evaluation under the auspices of the Recovery and Monitoring Program of New Jersey (RAMP) or some other entity approved by the Board.
